Profile

To secure a challenging position in a reputable organization to expand my learning , knowledge, and skills. Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

Professional Experience

FREELANCER

Frontend Developer

- My freelance career has honed my ability to work independently and manage multiple projects simultaneously while maintaining a high level of creativity, quality, and adherence to deadlines. I have developed a keen eye for detail, excellent problem-solving skills, and a client-focused approach, consistently delivering results that exceed expectations.
- Developed responsive and visually appealing websites for Smart Institute of Information Technology. ([Preview](#)) ([Github](#))
- Utilized HTML5, CSS3, JavaScript, and frameworks like React.js and Vue.js to create interactive web applications.
- Managed full development lifecycle, including version control using Git, bug tracking, and post-launch support.

Internship Experience

Octanet Service Pvt. Ltd. ([Certificate](#)) ([Github](#))

- Successfully completed a one-month internship at Octanet Service Pvt. Ltd., where I contributed to two key projects.
- Landing Page: Designed and developed a responsive landing page, focusing on user experience and visual appeal, which improved client engagement metrics.
- To-Do List App: Created a functional to-do list application with features including task management, categorization, and progress tracking, enhancing my skills in front-end development and JavaScript.

Projects

eCommerce - UI ([Preview](#)) ([Github](#))

- Developed a responsive eCommerce platform interface, enhancing user experience and increasing engagement by using ReactJS and TailwindCSS .

Portfolio ([Preview](#)) ([Github](#))

- Developed a personal portfolio website to showcase projects, skills, and professional background using TailwindCSS and Reactjs.
